

Let's enjoy International Exchange together!

Exciting World Tour

Regardless of nationality or cultural differences, the first step in valuing each other is to get to know each other. Let's have fun and deepen your understanding through the "World Tour" and "Exchange Time".

In the "World Tour," participants will visit booths from several countries and regions, interact with guests who have roots in those countries, and experience foreign cultures and games. In the "Exchange Time," we will have a fun time playing games and talking with each other.

You can participate alone or with your family. Children and adults are welcome! Please invite foreign residents in your neighborhood as well♪ We look forward to your application.
